Columbia, SC - On Saturday morning August 22, 2015, Columbia Christians for Life plans to be present outside the Planned Parenthood “abortion” center at 2712 Middleburg Drive, Columbia, as has been our weekly practice for over the last 15 years. We wish to be a witness for the Lord Jesus Christ (Acts 1:8, KJV) and His Word (e.g., Exodus 20:13, KJV) against the unjust killing (murder) of pre-birth human beings inside the wombs of their mothers.

Nationally, a protest against Planned Parenthood is being conducted on the same day at approximately 300 Planned Parenthood facilities in multiple States, as well as at this Planned Parenthood “abortion” center in Columbia in Middleburg Park off Forest Drive by other groups. It is encouraging that more and more Americans are becoming aware of the atrocities against preborn human beings committed by Planned Parenthood as a result of the videos released by the Center for Medical Progress. It is hoped the Lord will use this to help bring an end to child-murders-by-“abortion” not only at Planned Parenthood, but nationwide at all places where this crime against humanity and sin against God is committed.

In Columbia, the Planned Parenthood organization has been in operation since at least 1978, and during the period 1978 to 2014, has committed over a reported 45,000 “abortions”. The figures for all SC “abortion” locations [“abortion” centers, “hospitals” and “doctors” offices] for **1988** (peak year at 14,000+ SC statewide) and **2000 to 2013** can be seen at this link here: <http://www.christianlifeandliberty.net/STATS-AB-14-01.doc>

Notice there were five (5) “abortion” centers in Columbia in 1988. From 1995 to 1999 inclusive, it pleased the Lord to shut down four (4) of these. We look forward to the day when the Lord Jesus Christ will also shut down the Planned Parenthood “abortion” center presently located in Suite #107 of the building at 2712 Middleburg Drive owned by Woodland Village Apartments c/o J. Donald Dial.

In the 1988 to 2014 timeframe, the number of “abortions” reported committed in Columbia only at the “abortion” centers (not counting Richland Memorial “Hospital” and other places where unborn children were reported killed) decreased from over 5,280 in 1988 to under 1,650 reported in 2014, a **decrease of almost 70%**.

We look forward to the day when child-murder-by-“abortion” goes the way historically of American Slavery, the Slave Trade, and the gassing of Jews and other innocent victims of the Nazi Third Reich, and becomes not only **unavailable**, but also **illegal** (with no so-called “exceptions”), and **unthinkable**, to the glory of God !
