**Many families across South Carolina
provide 24/7 unpaid care for loved
ones who are aging or have
disabilities.**

**These "family caregivers" need
regular breaks, Respite, in order to
take care of their own health needs and remain engaged in family
and community life.**

**Wednesday, February 14 is
Respite Awareness Day
in South Carolina**

**Join us on the 1st floor of the State House at
10:30 am & join your voice with others in
support of family caregivers and their
desperate need for Respite.**
