Jay,

We are on a 9 month delay. We award funds July 1 we received the previous October 1. This has worked well for us and helps when Washington does not pass an appropriations bill on October 1.

I told NASUAD our challenge will be the debt ceiling limit. There is no work around for that.

Hope this helps.

Tony

Is SC fronting the operating cash?

Just curious - we will notify our aaa's to send out 30 day notices this week that all federally funded services will cease by Nov 15 if there is no resolution.
