Governor Haley

I am writing to you in regards of our laws around MVA, insurance and protecting the victims. I would like a chance to meet with you to discuss my case and see if we can change laws. If you could please spare some time to meet with me regarding this matter I would greatly appreciate it. You can contact at 803-718-5772 or my email. My name is Michelle Durham and I was in an accident on November 6, 2015.
