Just a few edits

Lieutenant Governor Kevin Bryant earned an "A" rating from the Club For Growth as a result of his pro-taxpayer voting record in 2016 as a South Carolina Senator. Lieutenant Governor Bryant has earned the Taxpayer Hero designation every year of its award. This year only 6 senators and 3 house members earned an "A" rating and with it the title of "Taxpayer Hero". Lieutenant Governor Bryant said that, "Protecting your wallet and promoting your Liberty was my primary focus as a state senator and it remains so as your Lieutenant Governor. Thanks to the Club for Growth for keeping a close watch over our elected officials on these issues."

Give me your thoughts on the right day for this release. We'll put it on the Facegrams at the same time. Don't forget to link the scorecard.

Attached is a rough draft of a press release. The social media post could say something like the last line of the release, "Thanks to the club for growth for keeping a close watch on our elected officials."
Or, "Thanks to the club for growth supporting our legislators who fight for economic growth."

Do we want to mention anything about our Club for Growth ‘A’ rating?
