## Webinar on Mar 1: Resources for LGBTQ Individuals Living with Limb Loss and Limb Difference

The [National Limb Loss Resource Center](#) (funded by the Administration for Community Living and operated by the Amputee Coalition) is presenting a one-hour webinar on March 1 at 1 pm Eastern that will bring together three organizations that work closely with the LGBTQ community. The center works to empower people affected by limb loss to achieve their full potential through education, support, advocacy, and the promotion of limb loss prevention.

Each organization will focus on their area of expertise during the webinar, talking about their mission, services, and what is available to people living with limb loss and limb difference. A series of presentations will be followed by a chance to submit questions for the panelists to answer. The webinar will be available to view on [amputee-coalition.org](http://amputee-coalition.org) following the presentation.

This webinar was created for people with limb loss and limb difference who are members of the LGBTQ community and the people that care for and about them. Clinicians are welcome.

Presenters include:

- Services and Advocacy for LGBT Aging (SAGE)
- PFLAG
- CenterLink (LGBT Centers)
