Governor Haley -

I have a question and wonder if you could help me -- I have a daughter and her family, (husband and 5 boys) who live on Lumar Rd, Williston, SC -- Lumar Rd is located between Barnwell, SC and Williston, SC, near Long Branch Baptist Church -- My question is - Could a rail be put up at the end of Lumar Rd across Highway 37 -- There is a big hole across the Highway 37 (same side of the Long Branch Church) -- When my daughter comes off Lumar Rd, this hole is directly across the road and it looks so dangerous -- She makes many trips daily taking the boys to school, football practice, games and other school and church activities day and night -- Gov. Haley thanks for being such a good Governor for our State -- Maybe nothing can be done, but thought I would ask -- That big hole just looks so dangerous every time I go to see my daughter and her family -- This might / 10/21/64
