

Dear Mrs. Nikki Haley , our governor of the state of South Carolina

I am asking you to look at my time served under the Dept. of Corrections
I feel I have changed my life for the better. I am older now I have done 21 years
and I would like you to take into consideration that I have been trouble free and
been put in an honor dorm because of this . Also I would like to get out and make a
difference with our young men coming up in our community and let them know that this
is not the life for anyone. Also my mother has suffered 3 strokes and I am the baby of 8.

I love my mother very much she is a beautiful woman. She is 75 years old. I feel
her time here is short and I know that she is waiting for the day I walk through these
doors as a free man. I am at your mercy and asking that you please take into
consideration in a pardon for me. I have very good support system in place. Thank you
in advance.

Yours Truly,
Leroy D. Branch
