---

Ted and Katherine,

John and I represent the SC Academy of Audiology.

S. 997 received third reading in the House today. It updates the licensure requirements for South Carolina's audiologists. South Carolina is the 50th state to update these licensing requirements. There are no fee increases.

We hope to have Governor Haley's support. Please let me know if you have any questions, but this one truly is pretty benign.

Thanks!
