Dear Sir or Madam:

The Scouts, Leaders and Committee Members of Boy Scout Troop 312 take great pride in announcing that **Lars Kenneth McCutcheon** having completed the requirements for the rank of Eagle, and having been examined by the Eagle Board of Review, was found worthy of the rank of Eagle Scout.

Lars' Eagle Scout service project consisted of a cleanup and organization of the Mount Olive Public Library basement storage area. The storage area in the library was a chaotic and cluttered mess. Items needed could not be easily found, while other items there did not belong to the library or were simply trash. The existing storage area did not project a positive image of the organization. In addition to the cleanup, the project included the building of (6) raised storage platforms, (9) shelving racks, and the purchasing/installing of multiple totes. Once the cleanup was done and the storage platforms/racks built, the items were reorganized by topic areas. The project was completed over several days by members of the Troop, family and friends. The project was a great success and was very much appreciated by the library staff and Board of Trustees.

The Committee of BSA Troop 312 wishes to properly recognize Lars' achievements with a ceremony to be held on **Sunday, May 17, 2015 at 1:00 PM at the Mount Olive Senior Center, 204 Flanders-Drakestown Road, Budd Lake, NJ 07828**. The honor of your presence would be greatly appreciated and would serve as an inspiration to all Boy Scouts who strive for the betterment of themselves, their community and our great Nation. We would sincerely appreciate a letter or certificate acknowledging this scout's achievements; which will be compiled with other acknowledgments and placed in a scrapbook commemorating this regal occasion.

Thank you for your consideration. Please reply to:
