

December 12, 2015

Dee Nikki and Michael,

Thank you for once again including us on a memorable weekend! Garden and Gun was fabulous - we enjoyed every minute. It truly could not have been more perfect. From the weather to the food, events, and company - we could not have asked for more! ☺ Thank you Again. You are such great friends to us and we always enjoy spending time with you. With love,
Alicia Feyzovich
