These pictures are great.

Do you know the size of the tent?

Katherine,

Below is a picture of the tent and I have attached pics of the podium and cooler both of which were taken on my phone (sorry for the picture quality is not the best).
I am actually looking into purchasing coolers with our logo on them but they may nor may not arrive by the time of the event.

We are working on the changes to the event summary: add vegetable tray, exchange chicken wings for something less messy, add drinks on course, remove potato salad with chips.
And a better expectation of the alcohol charges .

Let me know if there is anything else

Frank,

Will this suffice or do you need more pics? There are also some on our website: www.coastaleventrentals.com

Thanks, Mike
