Guess it is old age, but I may have submitted duplicate entries into the fall photo contest. I could not tell if it accepted the entries or not so I just stopped. Sorry, if I did. Is there anyway to confirm the entry was received correctly?

Hi, Cherie! We just approved all new entries this morning. Your photos should appear in the gallery now. Please take a look. If duplicates are submitted, we only approve one of them. Take a look and let me know if you see your photos. Thanks.

Can you try and upload again? You should see a message that says your photos have uploaded, but they will have to be approved. THanks.
