The **Project Management Fundamentals Course** will be offered March 16-18, 2016 at the University of North Carolina-Charlotte in Charlotte, North Carolina. Project management professionals, business and technology professionals, students, and educators are invited to register at the Project Management International website [here](#) .

**March 16-18, 2016**  
**University of North Carolina-Charlotte**  
**Charlotte, North Carolina**  
**8:00am - 5:00pm**

The **Project Management Fundamentals Course** is designed for those seeking professional project management certification. It serves as a thorough introduction to the fundamentals of project management. Those seeking additional credentials such as the PMP®/PgMP®, PMI-SP®, and PMI-RMP® will benefit from this dynamic and interactive work session, while those currently holding credentials will find the certification to be an enhancement as well as the most up to date advanced professional development.

**Project Management Fundamentals Course** provides 24 hours of project management education hours for both PMI's Certified Associate in Project Management (CAPM) ® and Project Management Professional (PMP) certifications. Additionally, the Master Certification provides 24 Professional Development Units (PDUs) for current holders of PMP®/PgMP®, PMI-SP®, and PMI-RMP® credentials. Additionally, the program awards 2.4 Continuing Education Units (CEUs) upon request.

### **Program Description**
