Since Tom Young asked for a summary, here is the email addresses (and possible email language) for you or Henry to send to all freshmen with the side-by-side.

Katherine – is the language ok?

FROM JAMES or HENRY?

Dear Senators,

Thank you for meeting with Generals McMaster and Medlock, Susie McWilliams and myself last Wednesday. As a follow up to our meeting regarding the SC Ethics Reform Commission's recommendations, General McMaster asked me to provide the attached side-by-side summary of our recommendations and Senator Wes Hayes' ethics bills introduced last Thursday. We believe Sen. Hayes is very interested in working with the Commission and anyone else in amending his legislation as it moves through the process which is why we thought you would like to see this side-by-side comparison.

Please call me or General McMaster if you have any questions and we look forward to working with you and Sen. Hayes as this legislation moves through the Senate.

James Burns
