Subject: Tracking State Bills? 5 Reasons Not To Sleep on StateTrack

Dear Katherine,

Tracking legislation in all 50 states is a snap when you have **StateTrack**. Here are the top 5 reasons you should be using StateTrack:

- 1) Never again miss an important bill or action.** Set up custom issue searches and get alerted on legislative or regulatory activity in as close to real-time as possible.
- 2) Is keeping your stakeholders educated on state issues one of your challenges? Problem solved.** StateTrack's dynamic, automated web publishing allows you to post bills to your website and share branded reports with live links.
- 3) Congressional gridlock means more and more issues are getting pushed to the states.** With approximately 220,000 bills being introduced in state legislatures each year, it's virtually impossible to track state bills without a dedicated solution -- just as it's becoming more important than ever to track state bills, period.
- 4) We've got the best user interface on the market.** StateTrack is visual, intuitive, and helps you cut down on the clutter. Do clunky interfaces prevent you from doing your job efficiently? StateTrack was designed to avoid just that.
- 5) Personalized support and training.** We may be the market leader in state legislative tracking, but we're a "mom and pop" shop to our clients. You'll receive consultative training and dedicated support from one of our seasoned Account Executives -- at no additional cost. Tired of dialing anonymous phone queues whenever you need assistance? So are we.

Let us help you do your job. [Click here to request more information](#) -- no commitment required.

Sincerely,

CQ StateTrack
