Dear Ms. Black,

I can pick the boxes up tomorrow or Friday, whichever would be more convenient for you. Will I pick them up from the State House or one of the other buildings in the complex?

Subject: Lt. Gov. Bryant Archives

Good morning!

Thank you so much for speaking with me on the phone regarding Lt. Governor Bryant's documents. I have attached

the excel spreadsheet, and did want to make note that both boxes #1 and #2 are constituent services and do include personal information. Our legal counsel advised us to inform you those documents would need to be gone through before providing that information to others if there was ever a FOIA request.

The Lt. Governor will be leaving office next Tuesday, January 8. Is there any way we could have the boxes picked up before then?

Thank you so much and Happy New Year!

Tori Beth
