---

Due to changes in the schedule, this meeting will most likely be rescheduled for Friday, June 21st. I spoke with Zais' office this evening, and will call Mike Brennan tomorrow morning.

Please see that we have a 1 pager for her by cob tomorrow per the Governor's request.

Thanks,  
Leigh

Do we have talking points on this meeting? I know I've circled back just trying to see where we are on it.
