City Year is dedicated to helping students and schools succeed. Diverse teams of City Year AmeriCorps members serve full-time in high-poverty urban schools, providing high-impact student, classroom, and school-wide support to help students stay in school and on track to graduate from high school, ready for college and career success.

A proud member of the AmeriCorps national service network, City Year is made possible by support from the Corporation for National and Community Service, school district partnerships, and private philanthropy from corporations, foundations and individuals.
