Morning!

Just a heads up that Raman Jeet will be in South Carolina the week of April 6<sup>th</sup> to meet with Boeing and tour potential locations in the State. Although we do not have any details yet on the specifics of the week's agenda I wanted to let you know that it's quite likely he will reach out to the Governor to inform her of his visit.

Beth,  
Raman played an integral role in organizing some of the events in Punjab during the November mission. Morgan will reach out to you shortly regarding the parameters of Project Aero.
