Good afternoon,

The rework of the brochure and the logo is attached. Please let me know if you have any questions or concerns. Hank and I have a meeting with SCETV next week to go over the media plan for the year. They have indicated in earlier conversations they would be interested in featuring some of our programs on the network throughout the year and assisting us in putting some media together. We will report back.

Best,

Kristy

Kristy

Here is the ETCF brochure that you sent me. Steve's was not cc'd on this. Maybe you sent it to him attached to another e-mail. Kay
