To The Honorable Gov. - Nikki Haley my name is Margaret Mical. I know you may not be able to read this letter but I'm writing just in case it is read. We owe mortgage 2,686.68 car note 504.85 and a slew of other bills those little finance people who are kidding on but they come to your house knock ring the bell and act like real mafia my husband have had three heart surgery. And he is real forgetful. He will tell me he paid a bill when he hadn't paid so I tell him he can no longer control the house bills last month we just got our car out of repo now this the house is there any way we can

Desperately seeking some
kind of assistance we just
got caught up.

I have a 14 yr old grandson
who has never received a
penny in child support. How
could this happen.

Every summer I pray that
we could take him some
where but never get a
break. I feel so bad for
him he is a very good
child he always tell me
thats alright nana. I'll
be fine. And he works
so hard in school. All
A's + B's he was struggling
in sciences the last part
of the school term but
guess what he pulled it
out in flying colors.

His name is Sean Gordon
Harrington

an early stage of forgetfulness
but don't want to admit
it. In case you get a
chance to read this letter

could do to get some
assistance. We desperately
needs a roof on the
house everything is in
bad shape God will stop
by soon he said he
would never leave us
or forsake us. This month
we will be left without a
penny. again.
May God Bless you and
ever look over you.
