This is great! Thank you for the heads up. I will definitely let the scheduler know.

Thank you,
Katherine

Katherine and Allen:

Senator Alexander asked me to give you a "heads up" that a invitation is headed to the Governor, Director Oakley of SC DOT and Secretary Hitt of Commerce to a ribbon cutting in Seneca. The ribbon cutting is to introduce Seneca as the first city in the nation to be equipped with a totally electric bus system, with a roll out of the electric busses. SC DOT apparently had some funding provided for acquiring these electric busses. Details:

Date: February 27, 2015

Time: 10:00 - 2:00

Please let me know if you have any further questions. Thank you.
