If you are currently a park passport holder, we will do one of two things to give you back the month you will be missing. When you purchase a new passport, we will add the extra month on to that passport at no charge. When your current passport expires, you may turn it in and we'll give you another passport for the month missed at no charge.

A little sad most parks closing at 6pm per website and I'm still working 😞
Can only go on weekend
Maybe special consideration should be given to pass holders?

I'm sorry, these are the amended hours as of now. Hopefully, if all goes well we can adjust them moving forward.

I understand but with the limited number of people allowed I most likely will be unable to get in a park.
Will they be doing something for pass holders it has been over a month
I have annual all park pass
Also maybe pass holders should be allowed in first?

We will be giving the month back to passport holders. When yours expires, you can do one of two things:

I hope they extend annual pass more then a month I have one but still can't use it as parks fill up
Suggestion pass holders allowed in first?
