Veto message looks good to me but I would make clear exactly what our alternative plan is. It's a little confusing and should be stated plainly.

Good morning all,

Attached is a draft of a new Clarendon County bill for Senator Johnson as well as the first draft of a veto message. I'm still managing the document, so please send suggestions either in an email or track changes in a word document for version control and to ensure everyone's suggestions are considered.

Thanks,

Josh
