South Carolina State Parks

at 18:15:44 on 10/01/2019 UTC

Chesterfield County offers nearly 15,000 acres of outdoor adventure at two different state parks. From golfing, paddling and camping at Cheraw State Park to equestrian and field trials at H. Cooper Black Jr. Memorial Field Trial & Recreation Area, there is always something new to discover in undiscovered South Carolina! #DiscovertheUndiscovered

Lisa-Eric Soltero My Mom who would be 87 use to visit the swimming area when it was once know as the "Cheraw Beach" back in the day after Lake Juniper was built. Also their walking Trail called " The Turkey Oak Trail" was named by my son Kevin when he was younger. He entered a contest the State Park did. I still live 2 miles from it and visit the park often.
