Chaney,

Just so y'all know ahead of Tuesday, can you look into getting me more details about the several One SC Fund calls the governor made last week? Her schedule shows four calls over three days and I wanted to see what's prompting this increase in activity, if there is some sort of announcement forthcoming, how much the group has raised for the flood/people the money has benefited, etc.

This will be a Sunday Palmetto Politics item, at this point. So I just wanted to start poking around on it and seeing who I need to talk to for more details.

Thanks,

Gavin
