Subject: RE: State Auditor Search Committee

Sam,

June 10th would work best for me. The week of June 18th may be a problem for Kara, Mike and me. That week the General Assembly may be back under Sine Die. A sine die resolution has not been adopted yet but is the normal timeframe that the General Assembly would be back.

Search Committee,

Unfortunately, Paul Townes is not available for an interview during the afternoon of Monday, June 3, 2013. I understand that the next couple of weeks are extremely busy during the legislative session. Please let me know if we should target for that fifth interview on either Friday, June 7, or Monday, June 10, or some other date the week of June 10 or the week of June 17. Will you please let me know your availability for those dates? Obviously, the later we have this interview will impact the ability to meet the deadline for the Budget and Control Board meeting scheduled on June 18. Please let me know if you have questions or other thoughts. Thanks.

Sam
