The Honorable Nikki R. Haley
Governor of the State of South Carolina
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

It would be my honor to serve in President-Elect Trump's Administration where I could apply my experience, knowledge, and expertise toward the furtherance of his goals. As you will ascertain from my curriculum vitae, I have the knowledge to serve as the Ambassador to Hungary, or as an Assistant Secretary at Defense, or as an Assistant Secretary at State, or with the Small Business Administration. As an immigrant to the United States and as a NATO/European expert, and as a successful small business executive, I would bring a diverse background with unique capabilities and experiences to the Administration. In addition, I am fluent in Hungarian, which I read and write as well.

I hesitate to ask you, but, after your examination of my packet, would you please write an endorsement on behalf of my quest to attain the ambassadorial post to Hungary and send my package to Governor Pence regarding this appointment? With the enormous volume of applications it would be easy for my information to get lost in the shuffle while I know that I would be a positive asset to the Administration. Enclosed you will find copies of the electronic submission that I sent to the Transition Team.

At your suggestion, I have contacted Senator Scott and Senator Graham. If you wrote an endorsement on my behalf, I would appreciate you conveying your endorsement to our Senators.

I believe you know that I would offer President-Elect Trump, my wholehearted effort, honesty, loyalty, and integrity. For, I too wish to "Make America Great Again."

It would be my pleasure to discuss my qualifications with you and answer any questions you may have. In my estimation, your support would be paramount.

Respectfully yours,

Stephen W. Homoki
