Subject: RE: Central Midlands Services PRF for October 2014

Central Midlands has requested reimbursement for Legal Services. The units and charges appear correct; however, Central Midlands has failed to file the required information including copies of their legal services contracts/MOAs, outreach plan, methodology for assessing the need for services, plan for training staff, and the methodology that will be used for screening and targeting the correct populations and issues. These are all requirements of the Older Americans Act and are reflected in their Legal Assistance Development Standards. Until the appropriate information is provided, I respectfully disapprove any payment for legal services for this region.
