He's not available on this day, but I do recall that there is a discussion on having a day like this in the Spring. Let's work on planning that, if it's feasible.

Danny,

The event invite below was forwarded to us. Is this something that we / the LG would want to attend for Caregiver's Month? If not, there's really not another planned event that I'm aware of; I have also reached out to Elizabeth Ford to see if she is aware of anything else. Otherwise, I don't really know of something we could do besides a press conference (Darryl and I have talked about this several times), but since it's relatively an empty house until January, we worry it might not stir up a crowd. I can reach out to Ms. Seymour once we have something nailed down.

This is an invite that was just sent to us yesterday, but I have not forwarded to Danny yet. If you think it may be an option, I am available to discuss whenever you have a free minute.

Hank

Hello Elizabeth,

In honor of Family Caregivers Month, the Columbia Urban League is hosting a Family Caregiver Appreciation Luncheon on October 30, 2017 at 12:30 pm at the Lourie Center. With funding from the Lt. Governor's Office on Aging's ARCC grant, we have been able to train more than 150 family caregivers on dementia care. This is something to celebrate!

We would like to invite the Director of the Office on Aging and the Lt. Governor to join Mr. James T. McLawhorn, CEO of the Columbia Urban League, in celebrating our partnership and the impact we have been making in the community with your help.

If you are able to attend, please let me know. We are looking forward to your participation in the event.

My best,

It was mentioned in the July 20th meeting there would be a Caretakers Day? Has it been scheduled? If so what is the date? Best regards.
