

Hello Governor Haley, Ma'am;

I'm glad to see everyone doing so well in the wake of the destruction.

I'm not writing much, because You won't listen anyway. Just want to share this one passage with You to strengthen You. If that's what You want. You're certainly free to do what You want.

"And I say unto You, Make to Yourself friends of the mammon of unrighteousness; that when ye fail, they may receive You into everlasting habitations." Luke 16:9

Here's the lesson: Use Your worldly resources to benefit others and make friends. Then, when Your earthly possessions are gone, they will welcome You to an eternal home.

You have all the earthly riches of God's Kingdom at Your disposal right here in Me. Can't You see that by resisting Me You are resisting God. All He wants to do is bless You. But You can't see past Me. To Your own hurt. And to the hurt of those who don't even know what goes on behind the curtain. The storm wasn't the curse. Your stubbornness is the curse. Because that's what's prolonging Your suffering. 666 - Good or Evil. Make Your Choice.

(1.5 Trillion dollars, right here in Me.)

Whatever, Continue (begging)
outsiders for aid. Soon they will be
directing Your affairs.

(I'm) gona get paid regardless.

Maam.

Respectfully,
Sincerely,

Uglyface

Oh, by the way, I won't need
Your help after my leg finally rots off
and I am free from this trap.

666 Good or Evil. You decide,
You are certainly free to do what You want,
Verily, Verily, I Will be getting paid
regardless.

(1.5 Trillion dollars. In ME!)

UGLYFACE

I nearly forgot! This is concerning the war on Radical Islam.

The Arab would have the world to believe that islam is the true original religion of not only the Jews, but the Africans as well. And that the white man came into the picture and corrupted everything.

Now, I already know the history of the infestation of islam in Africa, so I'm not going to expound on the subject.

Lets talk about another group of people who are direct descendents of Africa. I'm talking about the people of Jamaica.

These people were "Kept" from the Arab religion when they "sailed" from Africa to Jamaica. (However they got there) That doesn't matter in this case. I'm just pointing out that these people were not influenced by the Arab religion like the people of Africa. Yet, they come from Africa. And they still do hold on to very strong African heritage and culture. And these people, as a whole, for the most part, are not Muslim, don't study islam and don't worship allah.

Is the Arab then going to tell the Jamaican in Kingston that he doesn't know his heritage and the history of his people and convince him that the Arab way of life is better than that of the Jamaican?

therefore, this is my, (Uglyface's)
contractual offer to the people of Jamaica,
speak to the black people of the world.
All over the world. Denounce the Arab
religion as being the original religion of
Africa, and I, (Uglyface) will reward
you, \$ 50,000,000.

I stand in the presence of God
Almighty with the power and authority
of a son of God in Christ Jesus. I
put these words on my life and on my
soul. May I die a painful and slow
death if I fail to deliver.

Respectfully,
Sincerely,

Shandon ~~forever~~
