Hi Tony,

I am reaching out to you on behalf of the Farragut Square Group, a healthcare research firm that specializes in providing advisory diligence on mergers and expansions to healthcare financiers such as lenders, private equity firms, and company executives. I am reaching out to you because we are currently doing a research project about adult day care and PACE programs. I would love to chat with you or whoever the appropriate party is about these programs in South Carolina. I am typically free for calls from 10 AM – 4:30 PM EST, if you have 20-30 minutes to spare so I can ask some quick questions that would be great. Thanks and look forward to connecting with you.

Best,  
Stan
