Indy Star confirms it's Gov. Pence.  
Any comment at this point?

Just an FYI, CBS News is reporting Gov. Pence as the VP candidate. I don't know if yall are comfortable issuing a statement based on that, but it may be confirmed later today. So that moves things up for us.

Hello again,

We're planning a GOP VP reaction story on Friday and we're interested in Gov. Haley's thoughts on Donald Trump's selection—especially if it's another governor.

If y'all could provide a statement as soon as possible after Trump's announcement or point us toward any comment the governor makes on social media it would be appreciated.

Thanks,  
Gavin
