# **SOUTH CAROLINA STATE PARKS UPDATE**

All state park retail stores and spaces should open by Friday, May 15. SCPRT will use SCDHEC and CDC guidance to determine the maximum occupancy in these common area facilities in order to maintain social distancing rules and limit contact between staff and visitors.

Due to the difficulty of effectively cleaning equipment, all playgrounds will be closed until June 1. All playground areas will be cordoned off and signed appropriately.

Until further notice, state parks will not conduct park programs or tours of historic homes or other historic structures such as the Hunting Island Lighthouse or Atalaya Castle at Huntington Beach State Park. Meanwhile, Facebook Live interpretive programming that became popular in March and April will continue on a limited schedule and can be followed on our Facebook page.
