Sorry let me clarify, you may have spoken with Darryl but you never communicated to lily and I what you would like us to do. Do you want me to follow up like I would with any other agency until I hear it's been handled or should I assume it's done?

Ok. I spoke with Darryl earlier this week, and I'll do so again today.

Good Morning,

I wanted to get some clarification on how you would like the following handled:

Emails to the Ltgov email that get forwarded to the office on aging for action. Would you like whoever forwards it, me or lily usually, to follow up with LGOA, or should we mark our end as done once we forward it?

Thank you for the clarification.

Best Regards,
