Jesus Christ Know's I'm NOT. What TBN, on Cable,

Get my

I don't understand you People Call Yourself's
American because you're going over sea why not
Work to Keep Them in America.

My Wife Pass away Dec. 29th 2009 and I lost
my Home and Land and everything else had to sell
everything to just live and fix my 2002 Toyota
Car. Because she paid the house payment to
Countrywide and then Bank of America. They sold
my Loan to Freddie Mac and I want it Back
They done me wrong, like my wife and I took out
Ins. with Balboa Ins Group. After my wife Passed They
said it was accidental Ins. and not whole life
They told me it was whole life when we ask if
something happened to one of us. They said yes.
But it didn't pay after my wife Passed. God
& Jesus know's I'm telling The truth. I don't
understand why Bank & Financial Inst. get
away with High Percentage Rate. 322% + 38%
+ even 16.5% - It's wrong for poor & middle
class people. The Rich just don't care. for low
& middle class people and that's the truth. I need a
Government Grant I don't have to pay back, I know all about
The Government giving grants to people. Thank God I want my Home & Land
and Refinance it.

P.S.

Help Me Please.

David E. Carpenter. I lost it all,
215.A Citizen They call it a bad
Loan.
