Danny,

I have the numbers from PEBA for the State Health Plan, but I think it may not be exactly the number the sentence was looking for, also it may not be worth including. Here are the proposed versions:

OPTION 1:

The state employee health plan from 2011 to 2016 they have reimbursed \$36,266 for all services provided by the three abortion clinics in South Carolina. Since 2011, the state employee health plan has reimbursed providers for 11 abortions.

OPTION 2:

The state employee health plan also reimburses abortion providers; and since 2011 has reimbursed providers for 11 abortions.
