**Subject:** RE: Timeline/Schedule for "I Believe" plate

Jimmy,

You need a task for Revenue and Accounting (Len Callahan) to define the account and cost break down of the plate for original issue and renewal. You'll also need an IT task to update the appropriate DB tables: plate class, plate authorization, etc. rd

**Subject:** Timeline/Schedule for "I Believe" plate

Please take a look at this and let me know what needs to change.

Thanks
