It is attached. It is 300 pages so if you decide to send a page instead of printing it, we will leave your copy at our reception desk. Also, just a note, you can't put an emailed document on the House desk as the document path changes when they are emailed. Let us know when you want it as a floor amendment and we will run the hardcopies and deliver to you upstairs in the State House.

Steve

Garry,

The restructure amendment to S. 22 is ready and it can be picked up from our receptionist, Andrea Sparks, in room 434 of the Dennis Building.

Let me know if you need anything else.
