Christian,

Thanks again to you and Joshua for spending time with us going through our budget request. Please find attached the corrected spreadsheet for your review.

We are working on the other information you requested and will get to you as soon as possible. Do you have a certain deadline that we need to meet or is sometime in the next week or so OK?

Best regards,
Kathy

Kathy Coleman

Nicole

Kathy brought to my attention that the Clemson financial spreadsheet has incorrect numbers in the Adjustments column for General Funds. Center for Energy Systems should be \$3M, Workforce Development should be \$5M, and Student Engagement should be \$2M. Please accept this revised spreadsheet for our FY2014 submission.

Also, please let me know if I need to re-print anything.

Thanks,
Virginia Baumann
