Dear Governor Nikki Haley:

I want to be one of the many to express my concerns over new proposed gun legislation. Please do not let Congress or anyone take my right to keep and bear arms. We as a people have the right to defend ourselves against harm, this right has been one of the things that have made America great since its inception. I will stand behind you or anyone who will fight to keep my constitutional freedoms. If you do not step up and defend my rights as a law abiding citizen, then you will have no support from me in the future.

Sincerely,
mickey jennings
