Katherine – Thanks for the help. We definitely would like to have Governor Haley visit the site sometime in the near future if possible. Hope Lanier is working on the meeting with Commerce Department and I will let you know if we need any help.

Mark

Mark,

Please let me know if you need any assistance in scheduling a meeting with Secretary Hitt. I have put in the request for Governor Haley to do a site visit the Cooper River Plant.

Thank you,  
Katherine
