I was just getting ready to write you. I have found a way to submit the motion without an affidavit at this time, I will hold on to this in case we need it later. Have a safe trip and a very Merry Christmas and Happy New Year!

Thanks

Checking in - I'm driving to see family tomorrow and will be en route to Mississippi.  
Have you had a chance to look at affidavit? I have a phone scanner but it will be hard to find a printer on the road. I feel like you said this had to be filed this week.

Lisa – Here is a draft. See what you think. Can you add the caption too? I gave just the basics, but I can elaborate if needed.

I put "N. Nikki" – Her actual official name. She dropped the Nimrata when she got married. Nikki is her actual middle name.

I have a couple meetings, but I am around today and tomorrow.
