Subject: Re: You could do it

Hey,

I wanted to give you a quick update on the e-mail Joe sent earlier. Don't worry, this is the last time I'm going to e-mail you this month (I promise).

Right now we are \$340 from our goal. I know we can get the rest of the way there, and that's why I wanted to reach out.

Can you please help us continue to grow our rapid response fund so we can fight back against Harry Reid and his liberal allies?

Thanks for your time and I hope you enjoy the rest of your weekend.

Tim Scott

P.S. **Remember, we only have until midnight to hit our goal!**

Friend,

We need to raise a little more to hit our goal of \$100,000 for the month. We are just \$2,455 away and you could be the one to help us get to our mark.

All you need to do is [click here](#) and donate whatever amount you can.

All of the contributions we raise today are going into our rapid response fund so that when Harry Reid and his liberal allies in Washington decide to start attacking us, we can fight back. We need to be ready, and we need to start preparing now.

We only have until midnight to hit our goal, **[so please donate today.](#)**
