Need me to come by and pick those up, or are you dropping them off? Thanks.

Subject: Color Printer

Chris,

I think Josh may have just left you a message. We're printing some color materials for a breakfast at the Mansion at 8AM tomorrow, and naturally, we're having the toner box error message again. Can you please check it out ASAP? Or if it's an option, I can email the file to you if you have access to another color printer. Thanks.
