2015 Health Center and Public Housing National Symposium
“Healthy Together: Community Collaborations in Healthcare Delivery”

September 14, 2015 – September 16, 2015

Westin Hotel, Alexandria, VA

Dear Health Advocacy Organization,

Your agency understands the ever growing needs of the Health Centers in your State. The National Center for Health in Public Housing is asking your help in getting word out about our upcoming Health Center and Public Housing National Symposium.

Please post this information on your webpage, put it in your email blasts, or however you get information to your folks. We would like to get a showing from each state at the symposium and would love some new innovative ideas for our workshops.

We have just announced the save the date and began our call for abstracts. I have embedded the links below.

Main symposium page:

<http://www.nchph.org/about-the-2015-health-center-and-public-housing-symposium/>

We are also offering free registration for presenters this year and adding some additional networking events.

Hopefully you will be able to join us on a monuments tour on the Potomac!

Call for abstracts:

Also, we are really trying to get residents to the event and are planning a track for them. Please consider sponsoring a public housing resident, for \$500 agencies can sponsor much of the cost for a resident to attend the event. I think it would be great if we could have a showing of residents, not just for their benefit, but so health providers, housing agencies and residents really get a chance to meet and mingle in a relaxed environment.

Please let me know if you would like to be added or removed from our mailing list. With so many staff changes it is difficult to make sure we are reaching everyone.

Thank you, Susan
