Governor, supposed to have two travel checks coming to me since March from The Ralph Johnson VA Hospital in Charleston SC. I can call the given # and never get an answer # I called 843-789-7446 One lady answer and she do not need to be in a position working with the public. Her name is Barbara. I've signed off on both checks and would like to know what they did with the checks if I'm not getting them.

I would like to hear back on this matter. My name Donald Jones
