Dear Governor Haley,

I am asking for your help on a situation with V.A. Please. My husband was a Vietnam Vet and he passed away Jan. 7, 2007. I've been receiving this death benefits for nine years and now they have stopped my check of 707.00 a month because I draw his social security of 1344.00 a month and now I'm unable to pay my rent until the 2nd Wednesday of every month and then paying house hold and necessities bills I have no money to live on since they have done this. I did receive a letter which I responded to, but they never told me they were going to stop it or responded to my letter.

I don't want to file bankruptcy. This check helped pay my rent of 630.00 a month for a one bedroom apartment and I have no one to help me as I never needed help. I just want to live and be healthy.

I don't understand why they won't give me this since he has passed away and I've been getting it for nine years, and his social security for the past 4 years. Can you please help me get this back.

I'm taking this for praying for help. Thank you so very much for being our Governor. Constanta S Ricketier
