Subject: Interview request with Governor Haley

Dear Mr. Adams,

Reenita Malhotra Hora here from Bloomberg Radio. I hope this email finds you well.

I wanted to congratulate Governor Haley on her appointment to US Ambassador to the UN. Thrilled for her on many levels - not to mention it is the first time an Indian American has been appointed to a major cabinet position.

Our listeners at Bloomberg would love to hear more about her plans and aspirations for the position. Could we possibly interview Governor Haley for Bloomberg Radio?

Have a wonderful Thanksgiving.

Best regards,
Reenita Malhotra Hora
